Low Vision Technology Open House

Hosted by: Arizona Technology Access Program (AzTAP)

If you have macular degeneration or other low vision conditions, here's an event you don't want to miss!

Products by:
enhanced vision

WHEN: Tuesday – October 1st, 2013
4:00 p.m. – 7:00 p.m.

WHERE: Arizona Technology Access Program (AzTAP)
2400 North Central Avenue
Suite 300
Phoenix, Arizona 85004

Join us on **Tuesday, October 1, 2013** for a **FREE** event featuring hands-on demonstrations of the latest technology available for people with low vision.

Low vision technology can help you read, write, see loved ones and enjoy hobbies again. Experience hands-on demonstrations of the latest portable and desktop low vision devices available by Enhanced Vision.

A FREE Pebble mini will be Ruffled - Value \$295
